## 2010 COMMEMORATIVE PRINT

Joseph LaPierre created SunFest's 2010 festival commemorative print. This local artist from Palm Beach Gardens has received many awards over the years from the judges for SunFest's Juried Fine Art & Craft Show. LaPierre, who passed away in August of 2009, was considered a friend of SunFest, showcasing his work at SunFest shows and supporting its fundraising efforts.

Joseph received his formal art education at the New England School of Art and the Boston Museum School of Art. His inspiration was a reflection of memories and experiences from his travels in North and Central America, Europe, and the islands of the West Indies. Joseph often said, "To be an artist is to always be learning."

Working with a palette knife using thick, full-bodied Golden acrylic paints, Joseph kept his paintings very loose and bright. This technique added the cheerful lightheartedness that he aimed to portray in his paintings of scenes of every day life. His work won awards, and hangs in galleries, private collections, corporate offices and government buildings.

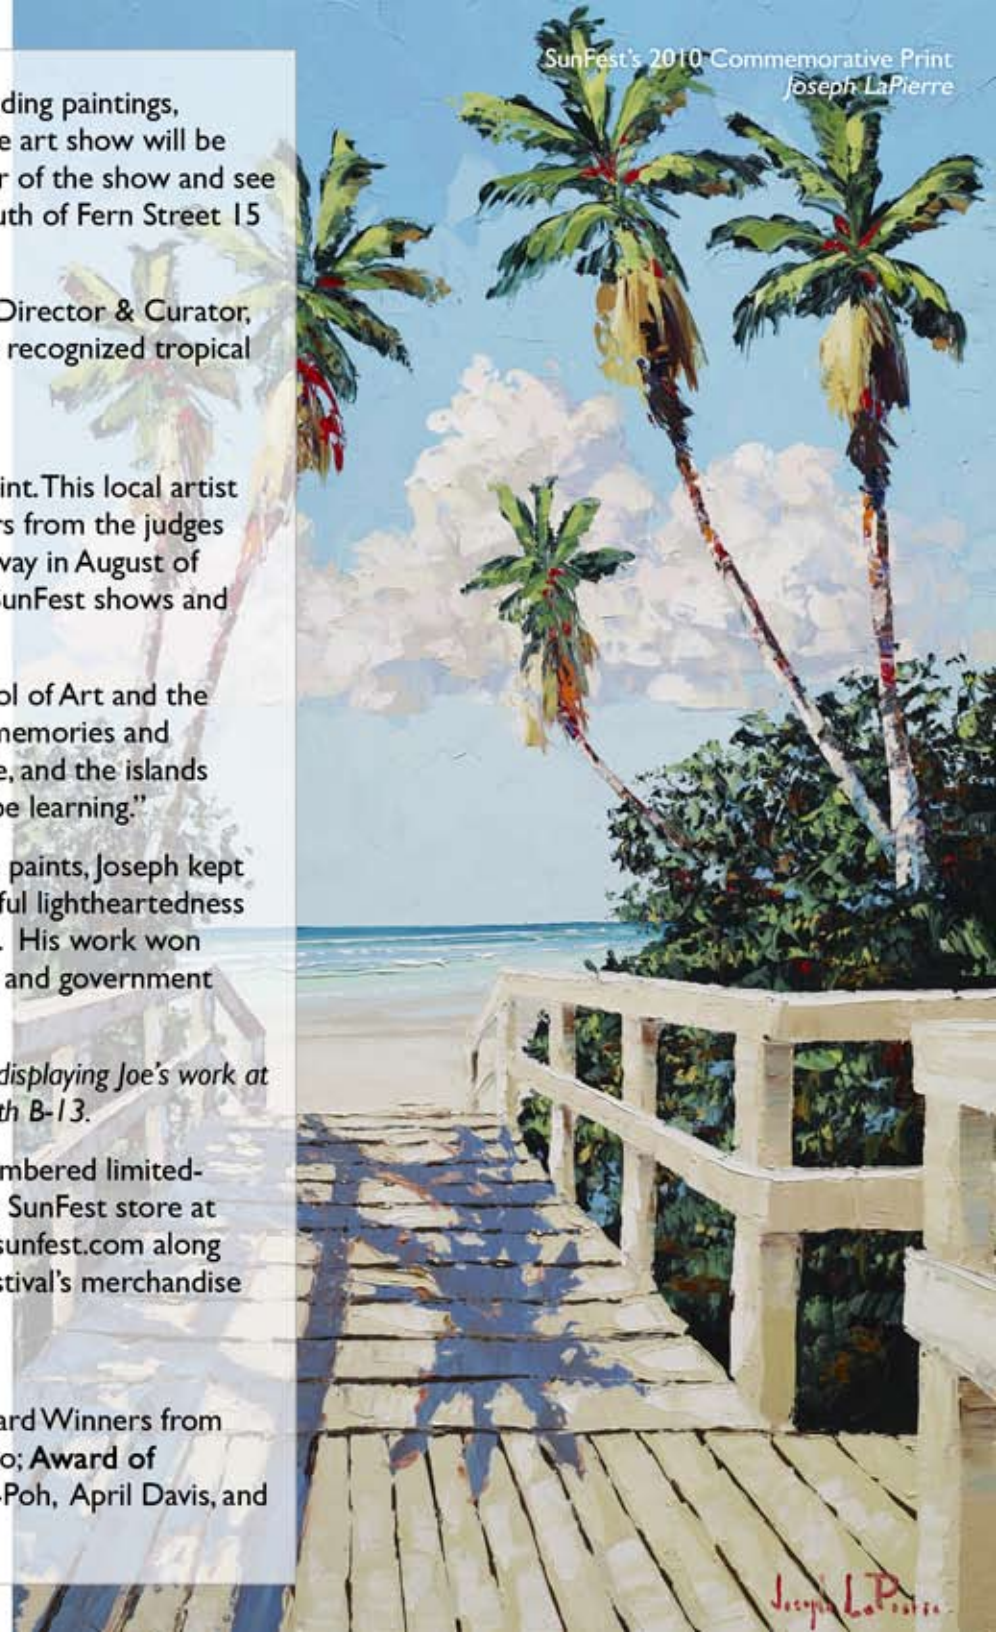

*Melody LaPierre, Joe's widow, will be signing commemorative prints and displaying Joe's work at booth B-12. Joe's daughter, Sarah, will be exhibiting her paintings in booth B-13.*

The price for a standard print is \$20. A signed (by Melody) and numbered limited-edition print costs \$30. Commemorative prints are available at the SunFest store at 525 Clematis Street in downtown West Palm Beach and online at [sunfest.com](http://sunfest.com) along with past limited edition prints. Prints will also be on sale at the festival's merchandise locations.
